Training & Regatta Updates

Regatta Updates

It's almost time for the second part of the regatta season - hopefully the weather cools down ever so slightly before then! We're introducing a range of communications for regattas, including updates via text and the Rowing ACT Regattas TeamApp page. If you haven't gotten onto TeamApp then you can sign up online or download from the App Store or Google Play.

Volunteers needed!

We're looking for volunteers to help with the smooth running of our regattas. There's a couple of key roles that we need your help with:

- Dockmaster - this person (or persons) will supervise the Weston Park pontoons each regatta and train host club volunteers as they arrive. This will help make movement in and out of the pontoons as efficient as possible.
- Setting up - this is from 6am - 7am on regatta days, and includes sweeping pontoons and helping set up the Rowing ACT tent at Weston Park.

The New Pontoon

Almost there! Our fourth Weston Park pontoon is being installed and should be ready for our first regatta for 2019. Thanks to the volunteers who helped put this together in some very warm conditions.
