

THIS OCTOBER, I'M  
WEARING A SCHOOL DRESS  
FOR THOSE WHO CAN'T

WWW.DOITINADRESS.COM

### Will you Do It In A Dress to educate girls in Africa?

66 million girls around the world will never get the chance to go to school, just because they were born a girl. At the regatta on **Saturday 31st October** put on a school dress (or any kind of dress) for those who can't. \$300.00 gives a girl in Sierra Leone and Uganda access to education for one year. When you educate a girl she can change her world. A girl's income increases by 10% for every year she stays at school, she will get married later, and have a smaller healthier family.

#### **BMRC supports this fundraiser**

**Should you decide to wear a dress and the Bro's pull you up just let them know you are supporting the cause and you will be exempt.**

I have signed up to raise funds for this cause. I would like anyone who participates at the first regatta of the season to swap their zootie for a dress. Those participants that dare to wear a dress will be asked to make a donation to [www.doitinadress.com](http://www.doitinadress.com)

#### **Donations:**

- There will be a donation box at the results tent at Weston Park and at the BMRC shed
- Alternatively you can donate directly on the 'do it in a dress' website. Search for team; **Rowing in ACT** or **Pamela Nash**

For more information have a look at the website [www.doitinadress.com](http://www.doitinadress.com)

**Remember when you wear a frock/dress beware of getting caught in the slides!!!!**
