

## **ANU BOAT CLUB COACHING COORDINATOR**

The Australian National University Boat Club (ANUBC) is one of Australia's fastest growing rowing clubs. Over the last decade it has undergone a 650% growth in membership, and is now consistently one of the top performing clubs at the Australian University Championships, and regularly qualifies athletes for national teams.

The ANUBC and ANU Sport have come together to create a Rowing Coaching Coordinator position. The position is supported by a grant from the Australian National University's Student Services and Amenities Fee.

A major component of this position is to provide coaching leadership at the ANUBC. The role is also integral to the ANUBC's and Rowing ACT's high performance athlete and coach pathway leading to the ACT Academy of Sport and eventually the Australian Rowing Team.

### **Primary Job Responsibilities**

- Under the direction of the ANUBC Committee lead the implementation and delivery of the club's technical and coaching strategy.
- Coordinate and be a team leader of the club's volunteer-based coaching team to ensure a consistent coaching approach at all levels of the club, from novice through to high performance
- Lead the identification, recruitment and development of new coaches for all levels of the club, including mentoring coaches where appropriate
- Be the ANUBC team leader at major events such as Australian University Games, Australian Championships and National Team Selection events
- Collaborate with the ACT Academy of Sport rowing program to provide a pathway for the progression of talented high performance ANUBC athletes.
- The Coordinator may also coach athletes

### **Selection Criteria**

#### **Qualifications and Experience**

- Minimum Level II NCAS accreditation, or equivalent
- ACT Working with Vulnerable People registration
- Practical understanding of coaching in a high performance environment

#### **Knowledge, Skills and Personal Attributes**

- Excellent technical knowledge of rowing including technique, coaching trends and developments
- Understanding and application of the principles of coaching, sport technology and athlete welfare within a rowing program
- Well organised and good people skills
- Self-motivated and able to work independently and as part of a team

**This position comes with an attractive honorarium and professional development support**
